

International Students

Saint Dominic Academy is pleased to offer admissions to International Students who are encouraged to experience an outstanding college preparatory experience at one of the oldest private secondary schools in New Jersey. Saint Dominic Academy's one square mile campus is located in Jersey City, New Jersey's second largest city, right across the river from New York City.

Applicants from China and Korea

International students coming from China and Korea must work through our partner, **The Cambridge Institute of International Education**. Saint Dominic Academy has partnered with Cambridge to help Chinese students through the admissions process and placement. To submit an application, or if you have any questions, please contact our consultants at The Cambridge Institute at stdominicacad@thecambridgeinstitute.org.

The Cambridge Institute
of International Education

Should an applicant meet all the requirements, an interview will be arranged by The Cambridge Institute. The interview will take place in person or online via Skype.

Upon review of all application materials, including the interview, the SDA Office of Admissions will make an acceptance decision and the student will receive a letter with specific details.

Applicants from all other countries:

International students from all other countries who are interested in attending Saint Dominic Academy should contact Andrea Apruzzese, Director of Admissions at aapruzzese@stdominicacad.com.

Housing

Saint Dominic Academy does not offer housing facilities on-campus. Students' families will arrange housing directly through our partner **gphomestay**, an educational services company that provides quality home stays for international students who attend American high schools.

Housing is set up after an admissions decision has been made and the student has registered for the upcoming year.

Interested in hosting an international student?

gphomestay is searching for caring families to open their home to an international student, to help get them involved and learning more about American culture. Being a host family is also a great opportunity for a family to learn more about a different culture and way of life.

Host families receive a monthly stipend of \$1100 to cover any costs that arise with having an extra person in the home. Host families also have access to ongoing support from a local Residential Coordinator.

Families are welcome to host a student for one or two semesters, but there is also the possibility of choosing to host again the following year. The students typically study in the United States with the intention of graduating from an American high school.

If you are interested in becoming a host or looking for more information, please visit gphomestay's website, **www.gphomestay.com** or complete an application at <http://www.gphomestay.com/Application.html>.

You can also contact gphomestay directly at (781) 996-0429, or info@gphomestay.com
